

■ Crumple

- Start at the top of your item and keep bunching till you have a 100% bunched up item.
- Rubber band bunch
- Add Tie Dye.

■ Sunburst

- Randomly pinch small pieces and rubber band. They kinda look like little nubs. Make each pinch one - two inches apart.
- Add Tie Dye to the nubs first then cover the rest of your item if you choose.

• Setting your Tie Dye item

- Let set for 8-24 hours
- Wrap in either zip lock bag or plastic wrap
 - They key is you don't want one part of your item to touch another part of your item.

• Rinse

- Put gloves back on. This is going to get messy again.
- Rinse each item separately under warm water.
- Keep rinsing until the water runs clear off your item.

• Wash & dry

- Lay flat to dry if you can't wash and dry right away.
- Wash each item separately.
- Set on hot water and large load.
- Small amount of detergent
- Dry with out a dryer sheet and separately.
- You will want to repeat the Wash & Dry steps for the first couple times you wash your items.
